2019 GARDEN PLOT RENTAL APPLICATION AND AGREEMENT

To rent a plot at Central Avenue Gardens, all gardeners must read and agree to the following, signing below. Gardeners who fail to follow the Rental Agreement will have their plot(s) reassigned or tilled under.

- Each plot is 4ft by 8ft. Rental cost is \$20 per year for each plot rented
- The gardening season is April through October.
- Gardeners should meet with the Garden Coordinator (Kelly Johnson – kelly.djohnson@yahoo.com) in person for a brief orientation.
- Gardeners may not work in their plot until fees are paid, agreement is signed, and they have been oriented.
- Gardeners are responsible for their own seeds, soil, amendments, supports/cages, watering, weeding, harvesting, and keeping the immediate area around their bed(s) clear and weeded.
- Gardeners will return all tools used, lock the garden shed, and turn off and return hose/pump after each visit to the garden.
- Gardeners will visit and tend to their garden plot(s) a minimum of once each week.
- Gardeners may only harvest from their owner plot(s).
- Notify the Garden Coordinator if you no longer wish to tend your plot(s), will be away from your plot(s) for an extended time, or need help tending your plot(s) while away.
- If asked to address a problem in your plot (neglect, diseased plants, unharvested produce, etc.), please do so within one week. Communicate with the Garden Coordinator if there are questions/concerns.
- All plots must be cleaned, with all plant material removed or turned into the soil by October 31st. Gardeners who do not clean their plot at the end of the season will not be allowed to rent the following year.
- Only **organic methods** of fertilizing, weed control, and/or pest control are allowed. Look for “OMRI” certification when purchasing products. When in doubt, please ask!

I affirm that I have read and agree to the above Central Avenue Gardens Rental Agreement. I understand that failure to follow this agreement will result in the cancelation of my plot rental.
