Join us on Tuesday, June 2 as MFDCDC celebrates 35 years of service.

The Mapleton-Fall Creek Development Corporation invites you to be a good neighbor by joining us at our annual luncheon on Tuesday, June 2, 2020 from 11:30 a.m. - 1 p.m. at Tabernacle Presbyterian Church.

We will enjoy a classic Hoosier lunch while celebrating past, current, and future partnerships in order to create a more sustainable, prosperous, and equitable future for our community.

Because you are a valued partner of MFDCDC, we want to let you know of the sponsorship opportunities available for our annual luncheon. On the following page, please find the information on various levels of support. We are introducing new sponsorship levels this year to recognize our 35th anniversary as an organization and to offer more benefits to our partners.

Complete and return the form on the final page to secure your sponsorship and reserve your seats by April 10, 2020. Payments may also be made online through the MFDCDC website at mfcdc.org/events.

Thank you for your continued support!

MFDCDC's rich history.

2020 marks 35 years since the founding of our organization. In 1985, members of North United Methodist Church, Tabernacle Presbyterian Church, Broadway United Methodist Church, Our Redeemer Lutheran Church, and Trinity Episcopal Church joined with the Mapleton-Fall Creek Neighborhood Association to form the Mapleton-Fall Creek Development Corporation (MFDCDC). For 35 years, MFDCDC has been at the forefront of affordable housing development in the Mid-North area. In light of this milestone, this year's luncheon will focus on how our past has shaped both our direction for today and our plan for the future.

With the help of our neighbors and community partners, we have laid the groundwork for comprehensive, neighborhood-based development in the city of Indianapolis. In the year 2020, MFDCDC will re-align our efforts with our core mission of affordable housing development in order to maximize our impact in the community. We invite you all not only to celebrate our rich history but also to join us in building better neighborhoods one home at a time.
